During the medical exam

Your medical exam will include a review of your medical history, a physical exam, and a chest X-ray. If you are 15 or older, you will also need blood tests. If you are 2 or older, you must take a tuberculosis (TB) test.

Be ready to talk about your medical history, any medications you take, and any treatments you are currently receiving. For more information on general medical requirements for U.S. immigrants, visit the [Centers for Disease Control and Prevention \(CDC\) website](#).

U.S. immigration law also requires you to get certain vaccinations before we issue your visa. You can find current vaccination requirements on the CDC website. You can also find answers to [frequently asked questions](#) about our medical exam requirements online.

After the medical exam

When your examination is completed, the doctor will either provide you with exam results in a sealed envelope or send them directly to the U.S. Consulate. IF GIVEN AN ENVELOPE TO CARRY TO YOUR INTERVIEW, **DO NOT OPEN THIS ENVELOPE**. Instead, bring it to your visa interview.

Any x-rays taken will be given to you. You **DO NOT** need to bring the x-rays to your visa interview unless you suffer from tuberculosis (TB). Interview Guidelines

Rescheduling or cancelling your interview

If you cannot attend your appointment, reschedule it at ais.usvisa-info.com. You may face a long wait for the next available date, so try to keep your assigned appointment.

For some family-based and employment preference visa categories, a visa became available in the month NVC scheduled you. If you have a Diversity Visa (DV), remember that the government issues only a limited number of these visas each year, and it must issue them by September 30 of the program year. We cannot guarantee that a visa will still be available on your new interview date. Check the [Visa Bulletin](#) carefully before you decide to reschedule.

Arrival at the consulate and security screening procedures

All visitors to the U.S. Consulate in Almaty must follow certain security procedures. If you refuse to let U.S. Consulate security staff screen you, you cannot enter the consulate. Bring only what you need for your interview to avoid delaying your entry and the entry of people in line behind you.

When you arrive at the consulate, go to Entrance A2. Show the security guard your appointment letter and passport. Arrive 20 minutes before your appointment.

Accompanying persons

The following persons may go with a visa applicant to their interview:

- Interpreter: Applicants may bring ONE interpreter if they do not speak English, Kazakh, or Russian well enough to participate in an interview.
- Special Needs Visitors: Applicants may bring ONE person to help if they are elderly, disabled, or a minor child.

Attorneys are **not** permitted to accompany clients into the waiting room or to their interview.

Immigrant visa fees

If you have not paid all required fees to the National Visa Center, please be prepared to pay these fees on the day of your interview. All fees must be paid in U.S. dollars. We accept cash and credit cards only. *Please note that if you are found ineligible to receive a visa, the application fee cannot be refunded.* A complete list of fees can be found on our [Fees for Visa Services webpage](#).

Do not make travel plans outside of Kazakhstan

If your visa is approved, we will keep your passport at the consulate while we prepare your immigration packet and print a visa for your passport. We will usually return your passport to you within one week. **If** you must travel within Kazakhstan while your passport is still with us, please make sure you have a valid picture ID other than your passport.

After Your Visa Interview

A consular officer can make a decision on a visa application only after reviewing the formal application and interviewing the applicant. ***There is no guarantee that you will receive a visa.*** Do not sell your house, car or property, resign from your job or make non-refundable flight or other travel arrangements until you have received your immigrant visa.

If more information is needed

Sometimes a consular officer is unable to make a decision on a visa application because he/she needs to review additional documents or the case requires further administrative processing. *When additional documents are requested*, the consular officer will give you a refusal letter that asks you to submit additional documents. The letter will include instructions on how to submit those documents to the consulate.

Administrative processing takes additional time after the interview. Most administrative processing is resolved within 60 days. However, the timing varies based on the circumstances of each case. Before inquiring about the status of administrative processing, please wait **at least** 60 days after your interview.

What happens after visa approval

Passport, Visa, and Sealed Immigrant Packet – We will place your immigrant visa on a page in your passport. Please review your visa to make sure there are no spelling errors. We may also give you a sealed envelope containing documents that you must give to U.S. immigration authorities when you arrive in the United States for the first time. ***Do not open this envelope. You must carry it with you; do not put it in your checked luggage.*** If you receive X-rays during your medical examination, carry those with you and give them to the U.S. immigration authorities.

USCIS Immigrant Fee – All individuals who are issued immigrant visas overseas must **pay a \$235.00 Immigrant Fee** to U.S. Citizenship and Immigration Services (USCIS) prior to traveling to the United States. This fee is for processing your residency status and printing your Permanent Resident Card. The only people exempt from paying this fee are children entering the United States under the Hague Process, returning residents, and people traveling on a K visa.

When You Should Travel – You must enter the United States *before* the expiration date on your visa, which is usually six months from the date of your medical exam. Your visa cannot be extended and all fees are non-refundable. The principal applicant must enter **before or at the same time** as other family members with visas. Children who turn 21 years old *after* visa issuance must enter the United States before they turn 21 years old; otherwise, they will lose their immigrant status.

Getting a Green Card – Your Form I-551 Permanent Resident Card, also known as a green card, will be automatically mailed to the address in the United States that you write in your visa application form. This is a very important document that proves you have permission to reside in the United States. *Do not travel outside of the United States until you receive your Permanent Resident Card. Once your card is issued, you should not stay outside of the United States for more than one year. If you do, you will lose your status as a Lawful Permanent Resident.*

Children's Issues – Children are required to have certain vaccinations before they can enroll in school in the United States. Therefore, we recommend that you bring your child's complete vaccination records with you to the United States. Additionally, if your child is adopted, you have full custody as a result of a divorce, or you share custody with the child's other parent, we recommend that you bring a copy of all applicable adoption or custodial papers from the authoritative court in your home country. You will likely need these papers (translated into English) in the United States for issues such as school enrollment, medical care, and eventual citizenship.

Information for New Immigrants – Please visit the USCIS web page for helpful information on moving to the United States. You can read their publication "[Welcome to the United States: A Guide for New Immigrants](#)" online.

Diversity Visa Applicants – Additional Information

If you are interviewing for a Diversity Visa (DV), all of the above instructions apply to you. Please schedule and attend a medical examination prior to your visa interview; and gather the required documents.

Below are additional instructions that apply **only** to DV applicants.

Bring to your interview

In addition to the documents listed on the Pre-Interview Checklist in this package, DV applicants should also bring the following items to your visa interview:

- ☐ Appointment information printed from the “Entrant Status Check” on the [E-DV website](#)
- ☐ Documents showing that you have, at minimum, either a qualifying high school education **OR** have two years of qualifying work experience in the last five years immediately prior to application (for the principal applicant only; more information is available [online](#)).
- ☐ Payment in U.S. dollars cash of the \$330 Diversity Visa Application Fee

Review your DV Lottery entry

Prior to your visa interview, we recommend that you review the data on your initial E-DV entry. On your initial E-DV application, you must have correctly entered all required information, including your full legal name, date of birth, gender and your marital status. If you are legally married you must have listed your spouse, even if you are currently separated from him/her (unless your spouse is a U.S. citizen or Lawful Permanent Resident).

Additionally, you must have listed ALL of your living children who are unmarried and under 21 years old. This includes your natural children, your spouse’s children, or children you have formally adopted in accordance with the laws of your country.

Failure to have listed an existing spouse or children or errors in your personal data at the time of your entry in the Diversity Visa lottery will result in the denial of your visa and visas for your family. Any fees paid to the U.S. government in support of your visa application(s) are nonrefundable. If you failed to include a child who had already been born, or a spouse to whom you were married when you entered the lottery, you should not proceed with the visa application. You can review the eligibility requirements [online](#).

Қалыңдық (күйеу жігіт) визасы бойынша нұсқаулық

Жалпы ақпарат:

АҚШ Азаматтық және иммиграциялық қызметтері (USCIS) I-129F өтінішін мақұлдағаннан кейін, өтінішті одан әрі өңдеу үшін Ұлттық виза орталығына (NVC-ға) жібереді. NVC өз кезегінде өтінішті өңдеп, қалыңдық (күйеу жігіт) K-1 иммиграциялық емес визасына өтініш беретін АҚШ елшілігіне немесе консулдығына жібереді.

Консулдық бөлім сіздің өтінішіңізді алғаннан кейін, сұхбатты қалай жоспарлау және оған қалай дайындалу керектігі туралы нұсқаулықты электрондық пошта арқылы жібереді. АҚШ-тың Алматыдағы Бас консулдығынан ісіңіздің сұхбатқа дайын екендігі туралы электрондық хат алмайынша сұхбатқа жазылмаңыз.

Сұхбат алдында:

Консулдықтан электрондық хат алғаннан кейін, сіз сұхбатқа жазылу және оны жоспарлау процесін бастай аласыз. Бірінші қадам: DS-160 үлгісін толтыру. Қалыңдық (күйеу жігіт) визасына тапсырған әрбір өтініш беруші мен оның балаларының әрқайсысына толтырылған жеке DS-160 үлгісі болу керек. DS-160 үлгісін онлайн режимде тапсырып, оның толтырылғанын растайтын қағазды сұхбатқа әкелуіңіз керек. DS-160 үлгісінің толтырылғанын растайтын қағаз болмаса, сізді сұхбатқа кіргізбейді.

DS-160 үлгісін толтыру бойынша сұрақтарға жауапты келесі [веб-сайтан](#) табуға болады. DS-160 үлгісін толтыру бойынша нұсқаулықтар біздің порталда қолжетімді. Біз бұл процесс бойынша ешқандай сұрақтарға жауап немесе нұсқаулық бере алмаймыз.

- DS-160 үлгісін пайдалану туралы нұсқауларды жиі қойылатын сұрақтар бөлімінен таба аласыз.
- DS-160 үлгісіне келесі сілтемені басу арқылы онлайн кіріңіз: Консулдық электрондық өтініш беру орталығының веб-сайты.
- DS-160 үлгісінің штрих-коды бар бетін басып шығарып, сақтаңыз. Толық өтінішті басып шығарудың қажеті жоқ.
- ais.usvisa-info.com сайтында визалық сұхбатқа жазылуыңыз керек. АҚШ елшілігі немесе консулдығы сіз үшін сұхбат күнін белгілемейді.
- Визаға өтінішті өңдеу ақысын төлеңіз. Төлем нұсқауларымен танысыңыз.

Сұхбатқа жазылған кезде, ais.usvisa-info.com сайтында төлқұжатыңызды жеткізу қызметіне тіркелуіңіз керек.

Сұхбатқа дайындалу:

Сұхбатқа жазылғаннан кейін, көрсетілген құжаттарды жинау керек:
