# Interview Guidelines

## Sending documents to the U.S. Embassy in New Delhi

If you need to send us any documents, please DO NOT mail them to us directly. Instead, visit [ustraveldocs.com](https://ustraveldocs.com) and ask for information on courier services. Please do not send any original documents to us. You may bring original documents (plus a photocopy for the embassy's files) to your visa interview.

## Rescheduling or cancelling your interview

If you are unable to attend your appointment, please go to [ustraveldocs.com](https://ustraveldocs.com) to select a new appointment date. **There may be a significant wait before the next available appointment**, so please attempt to attend the date already assigned. For some family-based and employment preference visa categories, a visa became available within the month you have been scheduled by NVC. **There is no guarantee that a visa will still be available on the date of your rescheduled interview.** Please carefully consult the [Visa Bulletin](#) before you request to reschedule your interview.

**Please note:** You need to register your original NVC/KCC appointment online (see [Step 1](#)) before you can reschedule it. Rescheduling is only possible on a date after your assigned appointment.

## Security screening procedures

All visitors to the U.S. Embassy in New Delhi must follow certain security procedures. Any visitor who declines to be screened by U.S. Embassy security personnel will be unable to enter the embassy. To avoid delaying your entry and that of those in line behind you, please bring only what is required for your interview.

## Accompanying persons

The following persons may accompany a visa applicant to their interview:

- Interpreter: Applicants may bring ONE interpreter if they do not speak English, Hindi, Punjabi, Malayalam, Tibetan, or Tamil well enough to participate in an interview.
- Special Needs Visitors: Applicants may bring ONE person to help if they are elderly, disabled, or a minor child.

Attorneys are **not** permitted to accompany clients into the waiting room or to their interview.

## Immigrant visa fees

If you have not paid all required fees to either the National Visa Center or via the appointment website, please be prepared to pay these fees on the day of your interview. All fees may be paid in either U.S. dollars or the Indian Rupee equivalent. We accept cash and rupee bank drafts only. Bank drafts may only be from a nationalized or foreign bank and must be issued in the name of "American Embassy, New Delhi." Check the consular rate of exchange at [ustraveldocs.com](https://ustraveldocs.com) the day before your interview. *Please note that if you are found ineligible to receive a visa, the application fee cannot be refunded.* A list of fees can be found [Fees for Visa Services webpage](#).

## Do not make travel plans outside of India

If your visa is approved, we will keep your passport at the embassy while we prepare your immigration packet and print a visa for your passport. We will return your passport to you later via courier services only (see [Step 1](#)). If you have to travel within India while your passport is still with us, please make sure you have a valid picture ID other than your passport.

## After Your Visa Interview

A consular officer can make a decision on a visa application only after reviewing the formal application and interviewing the applicant. ***There is no guarantee that you will receive a visa.*** Do not sell your house, car or property, resign from your job or make non-refundable flight or other travel arrangements until you have received your immigrant visa.

### If more information is needed

Sometimes a consular officer is unable to make a decision on a visa application because he/she needs to review additional documents or the case requires further administrative processing. *When additional documents are requested*, the consular officer will give you a refusal letter that asks you to submit additional documents. The letter will include instructions on how to send those documents to the embassy.

*Administrative processing* takes additional time after the interview. Most administrative processing is resolved within 60 days. However, the timing varies based on the circumstances of each case. Before inquiring about the status of administrative processing, please wait **at least 60 days** after your interview.

### What happens after visa approval

**Passport, Visa, and Sealed Immigrant Packet** – We will place your immigrant visa on a page in your passport. Please review your visa to make sure there are no spelling errors. We will also give you a sealed envelope containing documents that you must give to U.S. immigration authorities when you arrive in the United States for the first time. ***Do not open this envelope. You must carry it with you. Do not put it in your checked luggage.*** If you receive X-rays during your medical examination, carry those with you and give them to the U.S. immigration authorities.

**USCIS Immigrant Fee** – All individuals who are issued immigrant visas overseas must **pay an [Immigrant Fee](#)** to U.S. Citizenship and Immigration Services (USCIS) **prior to traveling** to the United States. This fee is for processing your residency status and printing your Permanent Resident Card. The only people exempt from paying this fee are: children entering the United States under the Hague Process, returning residents, and people traveling on a fiancé(e) (K) visa.

**When You Should Travel** – You must enter the United States *before* the expiration date on your visa, which is usually six months from the time of your medical exam. Your visa cannot be extended and all fees are nonrefundable. The principal applicant must enter **before or at the same time** as other family members with visas. Unless they are eligible for benefits under the Child Status Protection Act, children who are issued a visa before turning 21 years of age must enter the United States **before** their 21<sup>st</sup> birthday to avoid losing their immigrant status.

**Getting a Green Card** – Your Form I-551 Permanent Resident Card, also known as a green card, will be automatically mailed to the address in the United States that you write in your visa application form. This is a very important document that proves you have permission to reside in the United States. *If you plan to travel outside the U.S. before your green card arrives:* Please consult [USCIS's](#) and [CBP's](#) websites for rules about what documents you need to re-enter the country. We also recommend you check with the airline to ensure you are in compliance with their rules. *Once your card is issued, you should not stay outside of the United States for more than one year. If you do, you may lose your status as a Lawful Permanent Resident.*

**Children's Issues** – In the United States, children are required to have certain vaccinations before they can enroll in school. We recommend that you bring your child's complete vaccination records with you to the United States. If your child is adopted, you have full custody as a result of a divorce, or you share custody with another parent, you should bring a copy of all applicable adoption or custody papers from the authoritative court in your home country. You will need these papers (translated into English) for issues such as school enrollment, medical care, and eventual citizenship.

**Information for New Immigrants** – Please visit the USCIS web page for helpful information on moving to the United States. You can read their publication "[Welcome to the United States: A Guide for New Immigrants](#)" online.
